COMMISSION DECISION

of

amending Decision 2005/393/EC as regards restricted zones in relation to bluetongue

(Text with EEA relevance)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Directive 2000/75/EC of 20 November 2000 laying down specific provisions for the control and eradication of bluetongue¹, and in particular Article 8(3) thereof,

Whereas:

- (1) Directive 2000/75/EC lays down control rules and measures to combat bluetongue in the Community, including the establishment of protection and surveillance zones and a ban on animals leaving those zones.
- (2) Commission Decision 2005/393/EC of 23 May 2005 on protection and surveillance zones in relation to bluetongue and conditions applying to movements from or through these zones² provides for the demarcation of the global geographic areas where protection and surveillance zones ("the restricted zones") are to be established by the Member States in relation to bluetongue.
- (3) Following the notification of outbreaks of bluetongue in mid-August and early September 2006 by Belgium, Germany, France and the Netherlands, the Commission has amended several times Decision 2005/393/EC as regards the demarcation of the restricted zones concerned.
- (4) On 8 September 2006, the Netherlands informed the Commission of a new confirmed case of bluetongue in cattle in the north part of the country previously not included in the 20 km zone. In view of those findings, that zone should be extended to the whole of the Netherlands.
- (5) Following a substantiated request submitted by Germany, it is appropriate to amend the demarcation of the restricted zone in Germany.
- (6) Decision 2005/393/EC should be amended accordingly.

¹ OJ L 327, 22.12.2000, p. 74.

² OJ L 130, 24.5.2005, p. 22. Decision as last amended by C(2006)4132.

- (7) The measures provided for in this Decision are in accordance with the opinion of the Standing Committee on the Food Chain and Animal Health,
